

**Naugatuck High School Marching Band
Alumni & Supporter Association**

NHSMB Alumni & Supporter Association is an organization focused on providing support for the Marching Band. A strong support network is critical in ensuring the Marching Band achieves its goals and continues giving the gift of Music Education to Naugatuck's youth.

The cost burden of the Marching Band has shifted to students and Band Parent Organizations, through student participation fees and fundraising events such as "Thunder in the Valley" – the band competition held annually in Naugatuck, this year held on October 3rd, 2015.

This is where you can help. We invite you to join the Alumni & Supporter Association, and help support the pride of Naugatuck! Your contributions will directly impact the Marching Band by defraying operating costs, such as:

- Clinicians who train the students and assist in improving the band's skills
- Fees associated with the drill writing
- Entry fees to competitions
- Transportation to competitions
- Purchase of music for students to perform
- Maintenance of equipment
- Purchase of new equipment

Enclosed you will find the Membership Guide, which will explain the benefits of joining the Alumni & Supporter Association. We hope you will support the dedicated young students of our community as they continue to uphold the standard of excellence has been, and will continue to be associated with the Naugatuck High School Marching Band!

Please return all information by September 30, 2015 for 2015-2016 Membership
